

# HIDDEN IN THE HEART

*Hidden in the Heart*  
"You existed before you were adopted."

Claire Ferguson believes she is responsible for her infant daughter's death. Still reeling from the death of her mother only weeks before her daughter died, Claire numbs the pain with alcohol and pills and wonders if her own life is worth living.

Adopted at birth, Claire is convinced she passed down some unknown genetic flaw to her child. But exoneration will come with a price.

With her marriage on the rocks and her father refusing to answer any questions about her adoption, Claire begins the search for her birth mother. For the first time in her life, Claire really wants to know where she came from.

It never occurs to her that the woman who gave her life may not want to be found.

Educated in Bermuda, England and Canada, Catherine and her family live on the beautiful island of Bermuda. Catherine is happily married and enjoys an active life in the community, as well as her church, where she is presently involved in Women's Ministry.

As a writer of Christian romance, she hopes not only to entertain her readers, but also to share the good news of the gospel of Jesus Christ through her books. Visit her at [www.CatherineWest.ca](http://www.CatherineWest.ca)
